To all the HOPE 127 Supporters,

We greet you in the wonderful Name of Jesus our Lord. We are very grateful to God for you all. The work of faith that you have done demonstrates the love of God to all who see.

My wife and I and all the victorious church are very thankful to you all. The boys have been used by God through your support to tell world that God loves everybody.

When we took these boys from the street, little did we know that they would change and become better. Their time in school, through your help, has proven that everyone needs someone to love them.

It amazes me and everyone who knows what God through you has done in their lives. Every time they do exams they hold first positions. Our school pattern is 40 kids per a class, and in every class they are number 1 to 6. Patrick Maina and James Mwangi passed very well in the National exams. They are now in [one of the](#) good secondary schools. We have a reason to thank God.

In regards to their health, the [Lord](#) has kept them well. Very minor cases of illness have been reported. Thank you so much again and may the Lord remember you in everything you touch to do according to His promises.

We have now taken in 4 girls and we are looking for another 6 soon. We are very thankful for your support towards these girls too. Soon we trust that their lives will never be the same again. The support you sent for them has been used to start their long journey of faith toward God. It is our prayer to God that this will continue until He comes to take us to Himself.

We again send our special thanks and we request that you do not give up by remembering that our God is faithful. Pray for us as we continue to pray for you.

Love to all,
Jackson and Peninah.
